## EDUCATION

### ArtCenter College of Design | 2019

Bachelors of Science with Honors, Product Design  
Pasadena, CA

## EXPERIENCE

### Waymo | June 2019 - Present

**Industrial Designer;** Linkage Design - Mountain View, CA

Created high quality 3D surfaces for various design concepts, visualizations, and prototypes. Developed strategic self-driving architecture concepts for leadership review. Discovered insights and opportunities for improving internal processes. Collaborated with internal / external partners to develop parts towards self-driving technology.

### SpaceX | May 2018 – January 2019

**Industrial Design Intern** - Hawthorne, CA

Created design solutions for problems of form, usability, ergonomics, and brand development. Supported engineering department with quality surfacing and sketch models ranging from broad design themes to component-level design. Contributed to design topics ranging from graphic design to vehicle architecture.

### INDUSTRY | January 2018 – May 2018

**Industrial Design Intern** - Portland, OR

Involved in product design, product + digital interaction, prototyping, consumer research, and brand storytelling. Collaborated with other internal designers and external client teams to deliver quality industrial design solutions. Contributed both conceptual thinking, and hands-on making of product experiences.

**Clients:** Nike, World Kitchen, YouTube Music, HP, Mars Inc.

### ArtCenter College of Design | May 2016 – December 2017

**Teaching Assistant** - Pasadena, CA

Assisted instructors with the teaching experience, recorded students attendance, critiqued presented work, provided examples and advice for students, and assisted with other classroom tasks.

**Classes:** Visual Communication 1, Visual Communication 3, Visual Communication 5, Product Design 2, and Solid Modeling.

## AWARDS

ArtCenter Merit & Department Scholarship, Undergraduate Program  
ArtCenter Provost List, minimum GPA 3.80; Summer 2017 & Spring 2019  
Phi Theta Kappa, Member (Honor Society)

## SKILLS

Solidworks | NX Siemens  
Adobe Creative Suite  
Sketching | Storytelling  
Craftsman | Prototyping  
Keyshot | Rendering

## HOBBIES

Learning History  
Science Fiction  
Cooking  
Baseball  
The Outdoors
